

# Utopia Anno Zero

The Black League

YOU have been HERE before.  
So YOU KNOW what to expect.  
Prepare for THE WORST. And hope for THE BEST

I'm talkin' 'bout the CLOWN of CREATION!  
"ÜBERMENSCHEN" of a doomed CIVILIZATION!

TOMORROW calling like a PROMISED LAND  
And FAME and FORTUNE is falling in our hands!  
But then you JUMP for JOY and FAIL to SEE.  
Your neighbour's STOLEN the LAND beneath your feet!

Utopia Anno Zero. Utopia Anno Zero.  
Utopia Anno Zero. Utopia Anno Zero.

Tomorrow's falling OUT of REACH  
We have been HERE before and we have SEEN it  
But every time you raise that CUP unto your LIPS  
It tastes so BITTER! Like it ALWAYS did!

Utopia Anno Zero. Utopia Anno Zero.  
Utopia Anno Zero. Utopia Anno Zero.

It's gonna LET you DOWN again.  
And then it lets YOU down AGAIN!  
It's gonna LET you DOWN again.  
And let YOU down AGAIN!  
TOMORROW calling.  
The Beginning of the END!

Utopia Anno Zero. Utopia Anno Zero.  
Utopia Anno Zero. Utopia Anno Zero.

And then it lets you DOWN again.  
It brings YOU down AGAIN!  
And then it lets you DOWN again.  
It brings YOU down AGAIN!  
TOMORROW calling.  
Stop!

And the ONE-EYED marches on.  
In the KINGDOM of the BLIND.  
Reaching for the OTHER SIDE.  
Where there's NOTHING to be found.  
Nothing but UTOPIA!
