

Stir It Up

The Black Sorrows

You hazta strom weet da reggae fil mon !
Stir it up, little darlin' stir it up.
Stir it up, little darlin' stir it up.

It's been a long, long time
Since I had you on my mind.
Now you are here with me it's so good to see
There's so much we could do, me and you.

Now stir it up, little darlin' stir it up, yeah
Come on now stir it up, Little darlin', stir it up

I'll push the wood for you, light the fire;
Gonna satisfy your heart's desire.
And I will stir it, stir it every every minute
All you got to do girl is keep me in it

Now stir it up, little darlin' stir it up, yeah
Come on now stir it up, Little darlin', stir it up, c'mon

It's been a long, long time
Since I had you on my mind.
Now you are here with me it's so plain to see
There's so much we could do, me and you, c'mon

Stir it up, little darlin' stir it up, yeah
C'mon now stir it up, Little darlin', stir it up,
C'mon now stir it up, stir it up,
C'mon now stir it up, Little darlin', stir it up,
C'mon
