

## Glitterbomb

The Bled

Shatter the mirror on the wall and turn me into beautiful broken pieces.  
I am a slave to my own reflection.  
Hollywood in a soft syringe push it in and make a star out of me.  
Hollywood in a soft syringe and I'll forget who I am.  
I wanna be your new big nothing, glowing on a silver screen.x3  
I'd like to thank the academy.  
And all my family and friends.  
We'll make another masterpiece.  
A monologue and a eulogy.  
I couldn't have done this without you.  
I couldn't have made it this far without you.  
I forget who I am sometimes.  
I forget my lines.  
I forget who i am sometimes.  
I forget my lines.  
Hollywood in a soft syringe push it in and make a star out of me.x5
