

No More

The Blind Boys Of Alabama

No more, no more, no more, no more
And I'll never turn back
No more
Jesus he's the one
He's the one I'm looking for
And I'll never turn back
No more

Tell him where
Tell him when
Tell him where I can get found
And I'll never turn back
No more

Down on my knees
Down on my knees
Don't need to crawl
Don't wanna please

Well, I'll never turn Back
No more
