

Don't Look Back

The Bliss

Don't have to question
Everything you feel
It's in your heart
In your mind
In your soul

Not everything you want
Is what you need
Look inside look inside
And you'll see

Don't look back
Take it easy on yourself
Don't look back
Don't have to worry
Don't look back
Take it easy on yourself
this time

as we rise we fall
fall to the ground
but get up get up on your feet
if you look around
there is always someone there
just look up look up to the skies

Don't look back
Take it easy on your self
Don't look back
Don't have to worry
Don't look back
Take it easy on yourself
This time
