

## Evening Sun

## The Bliss

Evening sun  
why don't you stay  
just a little  
longer  
please

my friends in high our party's almost over  
why dont you stand a little longer please  
i need you back  
i need you better  
i need you back that i could kill  
i need you back  
i need you better

evening sun  
why don't you stay  
just a little  
longer  
please  
my friends ain't high  
our party is almost over  
why don't you stay a little longer please  
i need you back  
i need you better  
i need you back that i could kill  
i need you back  
i need you better

evening sun  
why don't you stay  
just a little  
longer  
please
