## **Odd Of Life**

[Intro] God I say the first thing AB where you at Young Calis I see you BlissfulMusic Tripsy! turn up the Microphone Uhm uhm uhm uhm yeah Uhm uhm uhm uhm uhm yeah, Alright! Uhm uhm uhm uhm yeah yeah Uhm uhm uhm uhm yeah Okay!. [Body] This life is a mystery This life is a mystery There's strange thing happening in the World And I keep in my account everyday And I keep on struggling And I keep on fighting And I keep on fighting everyday everyday Yes! "Something wey dey vex me be say Oh GOD! There are some people dem no want you to shine Yeah! yeah! yeah! Dem no want me to shine!". [Hook] This life have been something that I have been thinking Too much for my brain This life have been something that I have been thinking Wanna know Now I know oh oh oh oh Yeah. [Body] Your friend can be your enemy sometime Your enemy can turn to be your friend The way that you're following can be slippery sometime Everybody that ve been your friend can say goodbye Love turn to hate Couples go estrange Tribulation can make happiness to be at stake Family go to war The Law against the World Religious crisis, politics are shedding blood In the middle of your peak death calling At the depth of your fall you start rising Teacher might be wrong Student might be right Oh Who'll you believe when you can't trust yourself Oh! What will you do if your strength cannot help [Hook] This life have been something that I have been thinking

The Bliss

Too much for my brain This life have been something that I have been thinking Wanna know Now I know oh oh oh oh Yeah.

[Outro] [Till fade] "Oye Oluwa"...
