## **Song For Olabi**

With eyes of fire No one can see The smoke from the sweet grass Covers me I am drawn I am drawn to her Like a moth to flame She leads me down Unbound I am lost I am lost Has anybody seen me I am lost Oh nothing is forgotten Only left behind Wherever I am She leads me down Unbound No borders No fences No walls No borders No fences Unbound Oh, listen for the night chant Oh, listen for the night chant Like a moth to flame She leads me down Unbound No borders No fences Unbound No borders No fences Unbound Unbound
