

Stop Me

The Bliss

I don't want, I don't want, I don't want this crazy feeling to
stop me

I don't want, I don't want, I don't want this crazy feeling to
stop me

Break down the wall, it doesn't look too safe

But give it time and you'll learn to sway

I'm coming home to you my dear

We still did things we didn't have to do

I don't want, I don't want, I don't want this crazy feeling to
stop me

I don't want, I don't want, I don't want this crazy feeling to
stop me

I don't want, I don't want, I don't want this crazy feeling to
stop me

I don't want, I don't want, I don't want this crazy feeling to
stop me

Stop me

I don't want, I don't want, I don't want this crazy feeling to
stop me

I don't want, I don't want, I don't want this crazy feeling to
stop me

I don't want, I don't want, I don't want this crazy feeling to
stop me

I don't want, I don't want, I don't want this crazy feeling to
stop me
