

## Wish You Were Here

The Bliss

like waves to the shore  
part of the ocean  
the stars high above  
part of the sky

now i drift to you  
i dream of a river  
a water so blue  
wish i could live there

wish you were here..

like the air that i breathe  
u'll always be there  
the wings that i need  
when i wanna fly

now i drift to you  
i dream of a river  
a water so blue  
wish i could live there

wish you were here..
