

Wish You Were Here

The Bliss

like waves to the shore
part of the ocean
the stars high above
part of the sky

now i drift to you
i dream of a river
a water so blue
wish i could live there

wish you were here..

like the air that i breathe
u'll always be there
the wings that i need
when i wanna fly

now i drift to you
i dream of a river
a water so blue
wish i could live there

wish you were here..
