

Blood

The Blood

The possessed of satan are coming for church desecration
they are baptized in blood, pray to the goatheaded god
feast inside the pentagram, infernal blood flows in their veins
when the kingdom has come, christianity has to die a million of
deaths

Unholy crosses, evil church
hail satan, lord of life
Blood, Blood, Blood

Faithful in god - let him rot
antichrists - death to christian life
here we are - pray for satan`s war
drinking blood - don`t believe in god

Faithful in god - let him rot
antichrists - death to christian life
