

## Defaced Total Mutation

### The Blood

born as a cripple, body misfigured  
tortured from continious hurts  
creeping through existence  
no conversation, no tender caress  
only spitted upon, pushed around  
and get punched in face

... in face?! - but in what face?  
just lump of deformed skin  
howls and screams - all unheard  
incredible suffer mental desolation

no chance for healing  
born as the inhuman creation  
you are the defaced total mutation
