

From A Late Night Train

The Blue Nile

From a late night train, reflected in the water
When all the rainy pavement, lead to you
It's over now, I know it's over but I can't let go

The cigarettes, the magazines all stacked up in the rain
There doesn't seem to be a funny side
It's over now, I know it's over but I can't let go

From a late night train, the little towns go rolling by
And people in the station going home
It's over now, I know it's over but I love you so
