The Blue Van

You make it easy,
To feel this strange,
You try so hard, in this...old-fashioned game,
You can't lose cause there aren't any rules,
It's you I adore and like never before I understand,
Cause you make it,
Trrruuueeeee...,
Trrruuueeeee...,
You can't lose when you know what to choose,
Whhhoooooo...

It is easy,
To feel small,
So damn easy to feel no good at all,
In your arms,
I never feel lost,
You mended my heart and put back the part that was
missing,
Cause you are,
Trrruuueeeee...,
Trrruuueeeee...,
In your arms I never lost,
Whhhoooooo...
