

# What The Young People Want

The Blue Van

What the young people want  
They want to wear flared jeans  
I wanna be like the Mods  
A london hip-shaking teen  
But were's your belief, boy?  
Have you got what it takes  
We got the real Mccoys  
And the we've got the fake

And now the Big-Wigs giving you head  
Buy our music, buy your mind dead

I've had enough, I call your bluff  
My angry heart beats your flush  
So back off big-wig scum, 'cause you ain't right  
And we won't go down without a fight

What the young people want  
And what the young people need  
It ain't the same ball-game  
A one-way street

I've had enough, I call your bluff  
My angry heart have had enough  
So back off big-wig scum, 'cause you ain't right  
And we won't go  
without a fight

What the young people want
