The Blues Brothers

If you need a little lovin', call on me, oh yeah
If you want some kissin', call me baby
All you gotta do oh, I'll be right here at home
All you gotta do is pick up your telephone and dial now
634-5789

(That's my number)

634-5789

And if you need a little huggin', call on me, Lord, have mercy
And if you want some kissin', call on me, baby
All you gotta do now, no more lonely nights, will you be alone
All you gotta do is pick up your telephone and dial babe
634-5789

(That's my number)

634-5789

Oh, I'll be right there
Just as soon as I can
And if I'd be a little late now
I hope that you'll understand, oh yeah

634-5789

634-5789

634-5789

634-5789

And if you need a little lovin', you can count on me, oh yeah
And if you want some of my kissin', call on me
You better believe you can, no more lonely nights, will you be
alone

All you gotta do is call me on the telephone and dial
634-5789

(That's my number, baby)

634-5789

634-5789

(That's our number)

634-5789

(That's our number)

634-5789

(That's our number, baby)

634-5789

(If you need to make a change, yeah)

634-5789

(Then call [Incomprehensible] love exchange)
