The Bluetones

I love your bodywork and  
your flashy pop-up lights,  
the way you hug the corners,  
however fast and tight  
she comes in 16 colours,  
she'll suck your money dry,  
gives shitty mileage but come on lets get inside.

i love your slinky spoilers,  
they really speak to me,  
state of the art sound system,  
leather unholstery

she purrs just like a kiten,  
she seems to throb with pride  
gives you the feeling you've been taken for a ride

pay no attention to the signs  
no stopping anytime  
come park that chassis next to mine  
I'm on a double yellow line

I like to feel the steel,  
I like to put my foot down,  
I like to take the wheel,  
She purrs just like a kitten  
She'll go that final mile  
But if she's rocking dont come knocking for a while
