

## Santa's Got A Brand New Bag

The Bobs

He comes down the chimney  
In a sharkskin suit  
Under the tree  
He's leaving lots of loot  
Your name's on the tag  
Santa's got a brand new bag  
He's makin' a list  
And he's checking it twice  
He's gonna find out  
If you're naughty or nice  
He ain't no drag  
Santa's got a brand new bag  
He's filling stockings with shiny toys  
Got the right things for all the girls and boys  
Then laying a finger upside his nose  
With a nod up the chimney he goes  
Christmas morning  
You can see he's been there  
Open the presents  
They've been wrapped with care  
Your names on the tag  
Santa's got a brand new bag  
Saint Nick  
Was there last night  
Saint Nick  
He's out a sight - literally  
He ain't no drag  
Santa's got a brand new bag
