

## Going Nowhere

The Bones

A cold wind has come  
I guess I\'m wasting my time  
To wonder if you\'re sorry or not  
For leaving what we\'d begun

I\'m going nowhere  
Got stuck in glue when I fell for you, Oh yeah  
I\'m going nowhere  
I\'m totally lost and you don\'t seem to care

Today is dead and gone  
Tomorrow\'s outta sight  
Never seen a dream come true  
Let the Devil take tonight

I\'m going nowhere  
Got stuck in glue when I fell for you, Oh yeah  
I\'m going nowhere  
I\'m totally lost and you don\'t seem to care

You stole that stinkin\' part  
That used to be my heart, oh baby  
I saw you chewing for a while  
Than you nailed it to your wall

I\'m going nowhere  
Got stuck in glue when I fell for you, Oh yeah  
I\'m going nowhere  
I\'m totally lost and you don\'t seem to care

I\'m going nowhere  
Got stuck in glue when I fell for you, Oh yeah  
I\'m going nowhere  
I\'m totally lost and you don\'t seem to care

You don\'t seem to care  
You don\'t seem to care  
Anymore
