

I Don't Want You

The Bones

I don't want you
So get outta my sight
I don't need you
You're wasting my time
Yeah, you better back off and you better leave me be
I don't want you
So get outta my face
I don't need you
Just get outta my way
So just fuck off, you better leave me

I don't want you
Getting rid of you
Don't like you
I'm sick of you
Well, you better back off, you goddamn lousy cheat
I don't want you
Well I hate your guts
I don't need you
Well just shut up
Yeah just fuck off and leave me fuckin' be

A rendezvous burning bright?!
Well I'm going \"an eye for an eye...\"
Another blowout crusade
You are food for my bullets today

I don't want you
So get outta my sight
I don't need you
You're wasting my time
Yeah, you better back off and you better leave me be
I don't want you
So get outta my face
I don't need you
Well, get outta my way
So just fuck off, and leave me fuckin' be

I don't want you
I don't want you
I don't like you
I don't need you
So just shut up, and leave me fuckin' be

I don't want you
