

Long Gone

The Bones

Fuck you what ya trying to do
I gave you all my love and I still wait for you
Face down baby, look out
I\'m giving you a ticket to my underground
Going down cause it\'s home to me

Baby, baby long gone, and far away
Baby, baby long gone, and far away

Shoot up, breathe in, you lean against my shoulder and I give you my sin
You cry baby, I pray maybe, for fortune and glory again
Everything is built on trust, everything I\'ve done I lost
This is my reality so take it or leave it I don\'t care
Going down cause it\'s home to me

Baby, baby long gone, and far away
Baby, baby long gone, and far away

You think you\'re better than me but I\'ve seen things you\'ve never seen
About myself, about you so don\'t come here and tell me what to do
I cry baby, you pray maybe, we\'ll get back together some day
But being a loser without a wife that\'s something I\'m not, not in my life
Going down cause it\'s home to me

Baby, baby long gone, and far away
Baby, baby long gone, and far away
Baby, baby long gone, and far away
Baby, baby long gone, and far away
