

A Boris Karloff-looking major freak
That\'s what they call me, yeah I was a geek
A teenage misfit when I saw her face
I said \"Hi!\" but you gave me five
Across the eyes, I was nearly blind
Didn\'t know what hit me, I was paralyzed

Oh, why can\'t this sad boy ever win?
Would it be a sin?!
But I\'m never giving in, never giving up, I won\'t, I won\'t
But I\'m never giving in, never giving up

Caught your eye, I thought that you caught mine
I realize it was the guy behind
Covered up my shame behind my railway smile
You said my name, I thought I stood a chance
Until I saw you with another man
Another sleepless night alone again

Oh, why can\'t this sad boy ever win?
Would it be a sin?!
But I\'m never giving in, never giving up, I won\'t, I won\'t
But I\'m never giving in, never giving up, I won\'t, well I won
\'t
But I\'m never giving in, never giving up, I won\'t

Oh, why can\'t this sad boy ever win?
Would it be a sin?!
But I\'m never giving in, never giving up, I won\'t, I won\'t
But I\'m never giving in, never giving up, I won\'t, I won\'t
Well I\'m never giving up, never giving in, never giving up, I
won\'t, I won\'t
Never, never giving up, I won\'t
