

## Not My Kind

## The Bones

I\I've got a problem with you talking to my face  
I\I've got a problem with you getting on my case  
I always hate it when you tell me what to do  
I\I've got a problem and the problem is you

Shut up, shut the hell up  
\Cuz I don\'t now what you say  
Don\'t talk don\'t run your mouth  
\Cuz it don\'t mean nothing to me

I\I've got a problem with you getting on my nerves  
you\I've got it coming gonna get what you deserve  
I never liked it when you tell me what to say  
I\I've got a problem and it never goes away

Shut up, shut the hell up  
\Cuz I don\'t know what you say  
Don\'t talk don\'t run your mouth  
\Cuz it don\'t mean nothing to me

Fuck off!

I can\'t believe that you could treat me so unkind  
I always knew that you were not of human kind  
You\I've got a problem if you think I\'ll disappear  
you\I've got a problem and the problem is me

Shut up, shut the hell up  
\Cuz I don\'t know what you say  
Don\'t talk don\'t run your mouth  
\Cuz it don\'t mean nothing to me

Shut up, shut the fuck up  
\Cuz I don\'t know what you say  
Don\'t talk don\'t run your mouth  
\Cuz it don\'t mean nothing to me
