

## Smile of the Cobra

The Bones

Smile, lie, more trouble on the way  
For you I shake, for you I choke  
To you it\'s just a game  
A gourmet superpunch just like a  
\'Tyson\' outta the blue  
I dropped my guard she\'s no virgin Mary Lou

Now I\'m makin\' love to the gutter  
Twist like a living dead  
I\'m on the wrong side of the tracks again  
Rebel yell, I\'m howling  
My tongue is licking the drain  
Yeah I\'m a wreck and so messed up again

Too much ain\'t enough for sure  
I\'m knocked out but still looking for more

Overdid the Jimbo-Limbo,  
Like toxic waste I\'m on the ground  
I dropped my guard she\'s no Virgin Mary, no

Now I\'m makin\' love to the gutter  
Twist like a living dead  
I\'m on the wrong side of the tracks again  
Rebel yell, I\'m howling  
My tongue is licking the drain  
Yeah I\'m a wreck and so messed up again

I\'m makin\' love to the gutter  
I twist like a living dead  
I\'m on the wrong side of the tracks again  
Rebel yell, I\'m howling  
My tongue is licking the drain  
Yeah I\'m a wreck and so messed up again

Yeah my head is stuck to the gutter  
I\'m makin\' love like a living dead  
I\'m on the wrong side of the tracks again  
YEAH!!!
