

Until I Die

The Bones

Got a bad reputation
For doing what I wanna do
I like to drink and gamble
Does it make me fool? Oh no!
I like a rock'n roll party
All that comes along with it too
I can drink all alone, or with an asshole in the bar

It doesn't matter if I go down, oh no no no no no
cause I'll be down here with you
It doesn't matter if you go down, oh no no no no no
cause then you're down here with us

I can sit and chill
As long as you don't give me a pill
That keeps me up all night
Then I'm gonna drink until I die
Put up the booze and pour it out
Like a steak sauce over a bull
I will finish it all, and when you think we're done
I'll ask for more

It doesn't matter if I go down, oh no no no no no
cause I'll be down here with you
It doesn't matter if you go down, oh no no no no no
cause then you're down here with us

This is it
Just give me the shit
Another round
I'm gonna drink until I die

Yeah, yeah, yeah, yeah, yeah
It doesn't matter if we go down, oh no no no no no
Then you're down here with me
