

She Is Everywhere

The Boo Radleys

She hears what I'm thinking, and she also knows
What I'm going to say before I do
Slip back in my old ways whe she's not around
Drinking tim the sun rises anew
We are one, my dear, I'd like to say to you
Keep my wings around you all the time
I am not the same boy that I once was
Nowadays I'm so hard to find
You make me happy, there's nothing else I can be
You make me feel, there's only you and me
You made me love you, with everything you are
I need you
