

Under Their Thumb Is Under My Thumb

The Boomtown Rats

Under their thumb
Kicked and beaten like an angry rabid dog
Under their thumb
Squashed and squeezed like a dried-up, rinsed out worm

You can't do a thing
Best lie still 'til you wait your turn
Can't do a thing
Your day will come
You're under their thumb

Under their thumb
And now you feel you're not alone
Under their thumb
And now you feel the pressure zone

You can't do a thing
Revenge is sweet but it's sugar free
Can't do a thing
Your day will come
Now you're under their thumb
