

I Say A Little Prayer

The BossHoss

The moment I wake up
before I put on my jeans up
I say a little prayer for you
While combing my hair now
and wond'ring what hat to wear now
I say a little prayer for you

Forever, forever you'll stay in my heart
and I will love you
Forever, forever we never will part
Oh, how I love you
Together, together that's how it must be
to live without you
would only mean heartbreak for me

I run for my horse, dear
while riding I think of us, dear
I say a little prayer for you
At work I just take time
and all through my whiskey break time
I say a little prayer for you

Forever, forever you'll stay in my heart
and I will love you
Forever, forever we never will part
Oh, how I love you
Together, together that's how it must be
to live without you
would only mean heartbreak for me

My darling, believe me (my darling believe me)
for me there is no one but you
please love me too (answer my prayer)
I'm in love with you (please love me too)
Answer my prayer

Forever, forever you'll stay in my heart
and I will love you
Forever, forever we never will part
Oh, how I love you
Together, together that's how it must be
to live without you
Forever, forever you'll stay in my heart
and I will love you
Forever, forever we never will part
Oh, how I love you
Together, together that's how it must be
to live without you
would only mean heartbreak for me
