I Say A Little Prayer

The BossHoss

The moment I wake up before I put on my jeans up I say a little prayer for you While combing my hair now and wond'ring what hat to wear now I say a little prayer for you

Forever, forever you'll stay in my heart and I will love you Forever, forever we never will part Oh, how I love you Togehter, together that's how it must be to live without you would only mean heartbreak for me

I run for my horse, dear while riding I think of us, dear I say a little prayer for you At work I just take time and all through my whiskey break time I say a little prayer for you

Forever, forever you'll stay in my heart and I will love you Forever, forever we never will part Oh, how I love you Togehter, together that's how it must be to live without you would only mean heartbreak for me

My darling, believe me (my darling believe me) for me there is no one but you please love me too (answer my prayer) I'm in love with you (please love me too) Answer my prayer

Forever, forever you'll stay in my heart and I will love you Forever, forever we never will part Oh, how I love you Togehter, together that's how it must be to live without you Forever, forever you'll stay in my heart and I will love you Forever, forever we never will part Oh, how I love you Togehter, together that's how it must be to live without you would only mean heartbreak for me
