

# I Think That the World

The Bouncing Souls

No days and nights could brighten my life  
as much as one moment with you  
This is the way life seems to go  
it's not the way I wanted it to be  
I got it wrong, but that's okay  
you and I agree it's great this way

I'm in love with you,  
you're in love with me  
I haven't felt this good in years  
all that fear disappeared

And the world can go it's own way  
In fact, it can fade away  
Yeah the world can go it's own way  
In fact, it can fade away

The touch of your hand hits me so deep  
I look into your eyes endlessly  
Forget who I was and wanna be  
man do I feel so free

I'm in love with you,  
you're in love with me  
I haven't felt this good in years  
all that fear disappeared

And the world can go it's own way  
In fact, it can fade away  
The world can go it's own way  
In fact, it can fade away

I'm in love with you  
you're in love with me  
I haven't felt this good in years  
all my fear I carried with me just disappears  
Disappears...

And the world can go it's own way  
In fact, it can fade away  
The world can go it's own way  
In fact, it can fade away

Fade away  
Fade away  
Fade away  
Fade away  
Fade away  
Fade away  
Fade away
