

i used to have a home with a room  
and a bed a porch and a driveway  
with a big garage but i traded it in  
i kept some faith laid my head down  
every night and it seems so far away..it seems so far away  
Remember me now cuz things always change  
5 long years are gone  
i've done some time  
and even when i fall i know i'll never be the same  
I learned some things  
about the place's i saw  
i learned some things about myself  
i guess it came the hard way  
now i know what counts  
i've got one prayer  
it's in your confidence  
i know all the places i don't want to be  
everyone's gone theres no one but me  
Remember me next time i go away  
for the first time in my life i wanna stay  
i could count one hand here today  
the only things that matter to me anyway  
and it seems so far away
