

Party At 174

The Bouncing Souls

We're gonna have a party (4x)
It's gonna pay the bills

There's gonna be some beer
There's gonna be a show
Let's go call the wall
Let everybody know!

He's dying for anothuh
We won't invite your dad
But we will invite your mutha!

We're gonna have a party (4x)
It's gonna pay the bills

Stevie D. showed up in his gremlin, he's running from the pigs
We tried to clean up the backyard but we got no help from Wig!
Ill-Phill Deville, cool hand Bill, they came to dance, they came to swill
