

Pervert

The Bouncing Souls

[Descendents cover song]

Don't you think it's time I let you know don't you think I should before you go I'm not gonna let you get away 'cause I want to fuck

You night and day I'm a pervert I like to go out on dates see a movie, communicate we'll go home and have some fun I'll tell

You, sure you're the only one then when I leave your house I smell of sex then I know I'm a pervert, because I like it then I know I'm a pervert, because I want it want it all of the time don't you wonder sometimes what I want don't you sometimes

Think I just want your - cunt I'd hate to think that romance is just a pose but all I want to do is rip off your clothes I'm a

Pervert I like to hold you in my arms you know I wouldn't do you harm I never take advantage, in my book that's a sin but

Somehow I find myself caressing your skin then there's one word on my mind and that word is - fuck
