When I think about the good love you gave me, I cry like a baby.
Living without you is driving me crazy,
I cry like a baby.
Well, I know now that you're not a play thing,
Not a toy, or a puppet on a string.

As I look back on a love so sweet now,
I cry like a baby.
Every road is a lonely street,
I cry like a baby.
I know now that you're not a play thing,
Not a toy, or a puppet on a string.

Today we passed on a street, And you just walked on by. My heart just fell to my feet, And once again I began to cry.

When I think about the good love you gave me, I cry like a baby. Living without you is driving me crazy, I cry like a baby.

I know now that you're not a play thing, I cry like a baby.

As I look back on a love so sweet now, I cry like a baby.

Every road is a lonely street, I cry like a baby.

My heart just fell to my feet, you know I cried like a baby.

You left the water running now, I cried like a baby.
