The Boxer Rebellion

Big ideas

For the first time in my life I have seen

The relevance of love

When you don't have much

When it's what you need

And I have big ideas

For you and me

I feel lucky

With the worst luck

Then I met you when I felt messed up

I feel lucky

With the worst luck

Then I met you when I felt messed up

I feel lucky

With the worst luck

Wish I'd met you now before we're broken in

Big ideas

You're the shadow stealing light against the wall

You're the dream I had just before I woke up

Am I running through that mind of yours at all

And I have big ideas

For you and me

I feel lucky

With the worst luck

Then I met you when I felt messed up

I feel lucky

With the worst luck

Then I met you when I felt messed up

I feel lucky

With the worst luck

Wish I'd met you now before we're broken in

I feel lucky

With the worst luck

Then I met you when I felt messed up

I feel lucky

With the worst luck

Then I met you when I felt messed up

I feel lucky

With the worst luck

Wish I'd met you now before we're broken in

I feel lucky

With the worst luck

Wish I'd met you now before we're broken in

Wish I'd met you now before we're broken in
