## **Both Sides Are Even**

**The Boxer Rebellion** 

You don't need a reason For I know that what I've done is wrong No one there to warn you About the way that our moment's gone

Yeah, it's the same Right or wrong Yeah, it's the same thing Right or wrong

These are my suspensions And I'll never know how this was a lost cause And both sides are even They are even and alone

Yeah, it's the same Right or wrong Yeah, it's the same thing Right or wrong

Ah...

And both sides are even They are even and alone Yeah, and both sides are even They are even and alone

Yeah, it's the same Right or wrong Yeah, it's the same thing Right or wrong Yeah, it's the same thing Right or wrong
