

## Move On

### The Boxer Rebellion

Rip up the proof, rip up the proof  
Rip up the proof, before the damage is done  
Damage is done, damage is done, damage is

Don't stop talking when no one's listening  
What you want? What you want?  
What you want?

Red eyes are worth thin  
You're thrown off the deep end  
Gone under, gone under

You know your place  
Look for the quick escape  
You know your place  
Look for the quick escape

Rip up the proof, rip up the proof  
Rip up the proof, before the damage is done  
Damage is done, damage is done, damage is

Judgment your false sense  
You go on the defense  
You don't want, you don't want

You know your place  
Look for the quick escape  
You know your place  
Look for the quick escape

Move on, move on, move on, move on  
Move on, move on, move on, move on  
Move on, move on, move on, move on  
Move on, move on, move on, move on  
Move on, move on, move on, move on
