

Move On

The Boxer Rebellion

Rip up the proof, rip up the proof
Rip up the proof, before the damage is done
Damage is done, damage is done, damage is

Don't stop talking when no one's listening
What you want? What you want?
What you want?

Red eyes are worth thin
You're thrown off the deep end
Gone under, gone under

You know your place
Look for the quick escape
You know your place
Look for the quick escape

Rip up the proof, rip up the proof
Rip up the proof, before the damage is done
Damage is done, damage is done, damage is

Judgment your false sense
You go on the defense
You don't want, you don't want

You know your place
Look for the quick escape
You know your place
Look for the quick escape

Move on, move on, move on, move on
Move on, move on, move on, move on
Move on, move on, move on, move on
Move on, move on, move on, move on
Move on, move on, move on, move on
