## Move On

## The Boxer Rebellion

Rip up the proof, rip up the proof Rip up the proof, before the damage is done Damage is done, damage is done, damage is

Don't stop talking when no one's listening What you want? What you want? What you want?

Red eyes are worth thin You're thrown off the deep end Gone under, gone under

You know your place
Look for the quick escape
You know your place
Look for the quick escape

Rip up the proof, rip up the proof Rip up the proof, before the damage is done Damage is done, damage is

Judgment your false sense You go on the defense You don't want, you don't want

You know your place
Look for the quick escape
You know your place
Look for the quick escape

Move on, move on, move on, move on Move on, move on, move on, move on Move on, move on, move on
