

Redemption

The Boxer Rebellion

And then you said "what's the difference
With a life that brings you to your knees"
And then you said "or the fortune to be given every dream you c
onceive"

But you can fall if you really don't know yourself at all

Redemption, redemption
Redemption for you and me

And then you said "I don't know if, I don't know if I should st
ay or leave
That all I wanted was something different,
Something worth the fear or losing everything"

And then you fall, when you know you don't know yourself at all

Redemption, redemption
There's redemption for you and me
And I know it, and I know it
Redemption to set you free

We're dancing like we're inside a hurricane
We're dancing lost at sea
[x2]

Redemption, redemption
There's redemption for you and me
Redemption, redemption
Redemption to set you free

Redemption for you and me...
