

Spitting Fire

The Boxer Rebellion

What the rest did
I was average
But I dont mind
Drawn on two sides without disguise.
But I dont mind
But I spit fire on lovers and liars
And you, you dont believe me
And I, I find it easy
Easy

You're recruited
Head diluted through a glass eye
Dreams in fiction
Lost religion
But I dont mind
Cause I spit fire on lovers and liars
And you, you dont believe me
And I, I find it easy
Easy

Easy
What the rest did
I was average
But I dont mind
Runs on no sleep
Drawn to defeat
But I dont mind
And I, I spit fire on lovers and liars
And you, you dont deceive me
And I, I find it easy
Easy
