

## These Walls Are Thin

### The Boxer Rebellion

Look brave, look brave my innocent  
Don't talk, these walls are thin  
Shield your ears, shield your ears from the vertigo  
Won't hear us roam round here, again

Just stay where you are, don't stop, don't stop.

So here we are, here we are  
Here we are now.

Misguided, misguided casualty  
Always more concerned about TV  
Take a break, take a break in luxury  
Satisfaction, forever guaranteed.

Just stay where you are, don't stop, don't stop.

So here we are, here we are  
Here we are now.

Now, now, now, now, now, now  
now, now, now, now, now, now
