## These Walls Are Thin

## The Boxer Rebellion

Look brave, look brave my innocent Don't talk, these walls are thin Sheild your ears, sheild your ears from the vertigo Won't hear us roam round here, again

Just stay where you are, don't stop, don't stop.

So here we are, here we are Here we are now.

Misguided, misguided casualty Always more concerned about TV Take a break, take a break in luxury Satisfaction, forever guaranteed.

Just stay where you are, dont stop, dont stop.

So here we are, here we are Here we are now.
