

We Have This Place Surrounded

The Boxer Rebellion

Bitten more than you should chew
When we're all done
They'll be nothing left of you

You slow in from the start
We have this place surrounded
We'll tear you apart

You wanted
You wanted love
You wanted
You wanted love

You doubting what i see
For a fraud
Is all you are to me

And you constant in my aim
We have this place surrounded
We'll make you act the same

You wanted
You wanted love
You wanted
You wanted love

And it's so hard
It's so hard
It's so hard
It's so hard

And you don't know what i've been through
You come in from all sides
No you don't know what i've been through
You come in from all sides

You wanted
You wanted love
You wanted
You wanted love

And it's so hard
It's so hard
