

When Life Gives Me Lemons I Make Lemonade

The Boy Least Likely To

I've been up and I've been down
I've always got my head in the clouds
Hoping that I could find
One of them that's silver-lined

I don't care, it can rain
All it wants on my parade
Because when life gives me
Lemons I make lemonade
Lemons I make lemonade

I got a bucket, filled it with raindrops
Then I put it in the fridge
And now whenever the sun is shining
I make rainbows out of it

I've always been a hopeless romantic
Things don't always go my way
But there's not a lot you can do with lemons
Except make them into lemonade
Lemonade, lemonade

I've been up, I've been down
I've always got my head in the clouds
Hoping that I could find
One of them that's silver-lined

I don't care, it can rain
All it wants on my parade
Because when life gives me
Lemons I make lemonade
Lemons I make lemonade

I wake up every morning feeling sad
And I sleep with the light on
Sometimes you go to places in your dreams
That are hard to get back from

And I don't know what it is I'm afraid of
I just know that I'm afraid
But there's not a lot you can do with lemons
Except make them into lemonade
Lemonade, lemonade

I've been up, I've been down
I've always got my head in the clouds
Hoping that I could find
One of them that's silver-lined

I don't care, it can rain
All it wants on my parade
Because when life gives me
Lemons I make lemonade
Lemons I make lemonade
