

# An Honest Mistake

The Bravery

People  
They don't mean a thing to you  
They move right through you  
Just like your breath  
But sometimes  
I still think of you  
And I just wanted to  
Just wanted you to know  
My old friend...  
I swear I never meant for this  
I never meant...

Don't look at me that way  
It was an honest mistake  
Don't look at me that way  
It was an honest mistake  
An honest mistake

Sometimes  
I forget I'm still awake  
I fuck up and say these things out loud

My old friend...  
I swear I never meant for this  
I never meant...

Don't look at me that way  
It was an honest mistake  
Don't look at me that way  
It was an honest mistake  
An honest mistake

Don't look at me that way  
It was an honest mistake  
Don't look at me that way  
It was an honest mistake  
An honest mistake
