

Oh Glory

The Bravery

This is the same old story
All this excitement bores me
Can't you tell I'm trying?
Can't you see I'm dying?

Oh glory
Sweet sweet glory
Oh glory
Woman don't let me down

I know I don't deserve it
How could she be so perfect
Can't you tell I'm trying?
Can't you see I'm dying?

Oh glory
Sweet sweet glory
Oh glory
Woman don't let me down

Do do do do do do do

Oh glory
Sweet sweet glory
Oh glory
Woman don't let me down
Woman don't let me down
Do do do do do do do
