

Drivin' on 9

The Breeders

Drivin' on 9
You could be a shadow
Beneath the streetlight
Behind my home

Drivin' on 9
I sure miss you
Pass a motel
Looking in the blinds

Drivin' on 9
Looking for the 30
Maybe I passed it
I'll Go another mile

Drivin' on 9

I sure look pretty
Carson city
Walking down the aisle
Drivin' on 9
Does daddy have a shotgun?
He said he'd never need one
Go another mile

Drivin' on 9

Drivin' on 9
Looking out my window sill
Wondering if I want you still
Wondering what's mine
Drivin' on 9
