

Lime House

The Breeders

I walk by, I fall down
For warm black tar forms balls
And black tar baby

I'm in a lime house
I'm in a lime house
I'm in a lime house
I'm in a lime house

Fall..., stay for good
Oh live and live and live in the dark baby
Tar baby

I'm in a lime house
I'm in a lime house
I'm in a lime house
I'm in a lime house
I'm in a lime house
I'm in a lime house
I'm in a lime house
I'm in a lime house
